Semi-Pro Loop Runnerup Madeirense Booters Home to Canadians In Crucial Clash Today

Mutual Delivery Service clashes with Mars Bargainland in Southeastern Massachusetts Semi-pro Baseball League action today at 5 p. m. at Buttonwood Park. It is a crucial game for coach Joe Barkette of Mutual as he at present is in second place with a 6-1 record, and Mutual is still in contention for second round honors. Batteries for the game will be Bobby Oliveira

erset Indians in a game starting at 5 p. m.
SEMI-PRO BASEBALL LEAGUE Second Round Standings

Mars Bargainland St. Marys (Fall River) Comerset Indians Fiverton Primers

LEAGUE NOTES: The third round schedule will be out this week. It looks like a nip and tuck battle between Rochester Clothes and Mutual Delivery Service. Rochester Clothes played two tie games in a row, and were in a mild slump, but with the likes of Danny Reynolds, Spongey Medeiros, Dick Dias, Danny Daluz, and George Pires breaking out of their slump, they should be tough all the way. Jerry McMahon, of the Tiverton Primers looked good in pitching a two to two tie against Rochester. Jackie Torres, lost a tough decision for Mars Bargainland against St. Marys of fall River, in a 2-1 game. Isidore continues to bang the ball for St. Marys as does Bonalewicz for the Tiverton Primers. Tommy Boisvert looks good behind the plate for Mutual Delivery Service. Jerry Coleman continues to pitch good ball for Ted Williams Cammp, and he is one of the reasons that they are right up there. Douthwright continues to hit well for Somerset. It is hoped by league officials that the playoffs will start on Labor Day weekend.

anchor he used in the quiet mud flats won't hold anyway.

The hull which planed so beautifully in protected water pounds like a sledge hammer in a sea, soaking all hands and forcing him to throttle down.

On the river, the standard six-gallon tank seemed adequate when he could paddle ashere if it ran dry. Now it leaves him stranded miles off-shore.

Fortunately, thousands of experienced skippers are anxious to pass along their boating know-how to the beginners. These efforts have been made more effective through the well-organized efforts of the United States Power Squadrons, the Canadian Power Squadrons, and the United States Coast Guard Auxiliary.
